Our Mission

The mission of the Office of Contracting & Procurement is to partner with vendors and District agencies to purchase quality goods and services in a timely manner and at a reasonable cost while ensuring that all purchasing actions are conducted fairly and impartially.
A Partnership

OCP works in partnership with the Department of Small and Local Business Development (DSLBD) and the local business community to develop meaningful programs to benefit business owners and to promote economic development.

- One such program is the DC Supply Schedule (DCSS)

**Note:** Only Certified Business Enterprises (CBEs) that have a Small Business Enterprise (SBE) certification are eligible to apply for the DCSS.

• The DC Supply Schedule (DCSS), which was established in 2002, is the city’s multiple-award schedule for providing commercial products and services to District government agencies.

• Competitive contracts are awarded to hundreds of suppliers who can provide products and services to meet recurring needs of these government agencies. Government acquisition personnel (from DC and other jurisdictions in the region) may place task orders or purchase orders against the schedule following DCSS procedures.

• OCP developed the DCSS, which is similar to the General Services Administration’s multiple-award program, to assist in streamlining the purchase process.

• Currently, there are 16 schedules with approximately 486 awarded contracts. To view all DCSS awarded contracts, please visit our website at ocp.dc.gov/page/district-columbia-supply-schedule-dcss, click List of Awarded Contracts under the Opportunities & Support tab.
