RE: Review of procurement activities during the fourth-quarter of FY2017 by the Procurement Accountability Review Board

Under Section VII of Mayor's Order 2015-165, the Procurement Accountability Review Board is required to convene at least quarterly to review the following procurement matters: (1) contracts requiring retroactive approval by the Council of the District of Columbia, (2) decisions by the Contract Appeals Board or a court that overturn or invalidate a contracting action taken by the District, (3) audit findings, and (4) other procurement matters specifically referred to the Board. No such matters were referred to the Board during the fourth-quarter of Fiscal Year 2017 (July 1, 2017 through September 30, 2017), and no member of the Board requested that a meeting be convened to review discretionary procurement activities during that time.

Accordingly, the Chief Procurement Officer hereby gives notice that no meeting of the Procurement Accountability Review Board was convened during the period July 1, 2017 through September 30, 2017 .
