PO586214	7/10/2018	CELTIC CROSS HOLDINGS	DMV is requesting the services of a vendor to configure, and install a new system, used for support of their International registration Program (IRP). The International Registration Plan (IRP) is a registration-prorate agreement among member states and provinces that provides for the proportional registration of commercial motor vehicles used in interstate operations. The agreement is administered by IRP Inc., and is governed by a Board of Directors consisting of representatives from member jurisdictions. This requirement is federally mandated by the the Federal Motor Carriers Safety Administration (FMCSA). The goal of PRISM/MCMIS is to use State commercial vehicle registration sanctions [IRP registration system] as an incentive to improve motor carrier safety. IRP is the framework for PRISM/MCMIS. The program establishes the linkage between the Motor Carrier responsible for safety and every vehicle registered through the IRP.  The purchase of a new system involves an implementation phase, which compatibility/compliance with IRP and PRISM/MCMIS requirements which includes integration/interconnectivity with the District's motor vehicle registration	0417 IT CONSULTANT CONTRACTS	DEPARTMENT OF MOTOR VEHICLES	\$400,000.00

PO589947	9/18/2018	CELTIC CROSS HOLDINGS	DWV is requesting the services of a vendor to configure, and install a new system, used for support of their international registration Program (IRP). The International Registration Plan (IRP) is a registration-prorate agreement among member states and provinces that provides for the proportional registration of commercial motor vehicles used in interstate operations. The agreement is administered by IRP Inc., and is governed by a Board of Directors consisting of representatives from member jurisdictions. This requirement is federally mandated by the the Federal Motor Carriers Safety Administration (FMCSA). The goal of PRISM/MCMIS is to use State commercial vehicle registration sanctions [IRP registration system] as an incentive to improve motor carrier safety. IRP is the framework for PRISM/MCMIS. The program establishes the linkage between the Motor Carrier responsible for safety and every vehicle registered through the IRP.	0442 IT SOFTWARE MAINTENANCE	DEPARTMENT OF MOTOR VEHICLES	\$143,640.00
