PO601242	3/14/2019	TERRAPIN ADVENTURES LLC	<p>Learning Objectives: Our trained facilitators will ensure that your day at Terrapin Adventures is more than just a great day of recreational fun. Your group will be lead by expert guides who employ instructional outdoor education methods to make the most of the day. These facilitators keep an eye on group development and can tailor your program to work on whatever needs you have for your group. Through guided play your participants will both grow individually and as a group.</p> <p>Package: The Traverse Package, min weight 60lbs and maximum weight of 275 lbs.</p> <p>After some icebreaker activities, participants will be divided into sub-groups of approximately 12-15 participants. We require at least one chaperone for every 12 participants with a minimum of 2 chaperones. Each group will be lead through the following stations as time allows: ↳ Low Ropes Course Challenges ↳ Participate in games and exercises that are no more than 2 feet off the ground. During these activities the facilitators will make use of various props and elements of our course that are built into the ground. The activities will use both mental and minor physical challenges which focus on developing trust, improving communication and working together as a team. ↳ Zip Line ↳ Conquer your fears by crossing the 30-foot long cable and jumping off the zip platform. Then relax as you glide through the forest on our 330 ft. zip line. ↳ Terrapin Tower ↳ Scale all 12 routes of our climbing tower. Two of the sides are traditional style rock climbing walls. But the other two sides are an amalgamation of cargo nets, rope ladders, tires, and more. Participants will take turns climbing and encourage each other while clambering up the 43 ft. tower.</p>	0205 RECREATIONAL	DISTRICT OF COLUMBIA PUBLIC SCHOOLS	\$2,150.00

PO604784	6/5/2019	SIX FLAGS GREAT ADVENTURE LLC	The Wednesday, June 12th, 2019 Six Flags New Jersey school trip is a culmination of attendance, academic, and behavior incentives for students who have exhibited exemplary accomplishments in school and/or during out of school time activities. In addition, while on this trip, students will also be challenged to recognize the significance and correlation of school related subject areas with that of such an establishment (i.e. amusement park). For example, providing students an exciting and thrilling experience outside of what they may be typically exposed to, can ground their knowledge of physics principles in a relevant context at an amusement park, leading to an increase in student 'buy-in' as well as interest in the STEM fields. 120 Non Catered Valid thru 6-30 12 One Day Comp Valid thru 6-30 3 One Day Parking 1 Processing Fee	0205 RECREATIONAL	DISTRICT OF COLUMBIA PUBLIC SCHOOLS	\$261.72

			The 8th grade class is going for a two-night stay at Cape Henlopen State Park in Delaware in order to celebrate the culmination of 3 years of community-building as the inaugural cohort of the Dual Language program at MacFarland Middle School. It is a chance for students and staff to end our journey together as a community of learners by engaging in community-building exercises, team sports, explore the science and geography of the mid-Atlantic coastline, and have a real-world opportunity to gain experience at being independent.

			DDOT is sponsoring two employees for the H1-B process. This purchase order is for payment of the applicable DHS application fees. The Department of Homeland Security (DHS) is the federal agency that oversees the process for the H1-B application process for the sponsorship. The applicant cannot make the payment for this services and under the District policy the agency can use agency funds to pay for the application fees. The fees are related to the application process for each candidate and require separate checks for each fee that is related to the application. The fees are as follows for each application (DDOT has two applications) 1. Base fee of \$460 2. American Competitiveness and Workforce Improvement Act of 1998 (ACWIA) fee of \$750/\$1,500 (if/as applicable) 3. Fraud Prevention and Detection fee of \$500 (if applicable) 4. Public Law 114-113 fee of \$4,000 (if applicable) 5. Premium Processing Service fee of \$1,410 (if applicable) We (DHS) prefer that you submit a separate check for each fee. For example, if you are required to pay the base filing fee, the ACWIA fee, and the premium processing fee, you should submit three separate checks. If you only submit one check as combined payment for all applicable fees and certain fees do not apply or are incorrect, we may reject your H-1B petition.
